ISO AMSTERDAM
AMSTERDAM WEST
UP TO 1,500 GUESTS
FOR RENT

An artist-led creative arena: ateliers, an art centre and a club under one wooden roof.

ISO Amsterdam is a collective workspace with some forty ateliers and a public programme of exhibitions, performances, workshops, screenings and music.

With ISO 2, the new extension next door, ISO now hosts up to 1,500 guests across two venues. Its halls rent out for public and corporate events, and renting a space directly supports the cultural initiative that runs it.

ISO 2	The extension next door, a second venue
Halls	Open floors under a timber roof with skylights
Sizes	From 20 to 500 m² per space
Ateliers	Around forty, with a public programme
