DOOR OPEN SPACE

NDSM, AMSTERDAM NOORD
3,000 M²
PAST LOCATION

(PAST LOCATION)

A raw, energetic hub in the heart of Amsterdam's NDSM werf. The venue has since closed; Door Open Space remains a partner.

Halm & Graaman worked with Door Open Space to bring exhibitions, fashion shows, dinners and immersive installations into four industrial halls on the NDSM wharf.

Industrial, raw and authentic, the halls offered a contrast to the traditional white cube.
