

HALM & GRAAMAN

HET SLOTTERVAART

AMSTERDAM NIEUW-WEST
UP TO 8,400 M²
FOR RENT

(FOR RENT)

Not a standard exhibition hall, but a location filled with history, raw beauty and unparalleled character.

Halm & Graaman offers multiple floors for rent at Het Slotervaart, Amsterdam, an initiative by Zadelhoff. With 8,400 m² of available space spread across three floors, the building is a modular canvas for concepts that dare to be different.

The industrial wings have been left raw. The central core of each floor is sleekly finished, with completely new facilities.

(AVAILABLE SPACE)

Floor 10

Four wings of 700 m²

Floor 9

Four wings of 700 m²

Floor 8

Three wings of 700 m²

Core

200 m² per floor, newly finished

Smallest unit

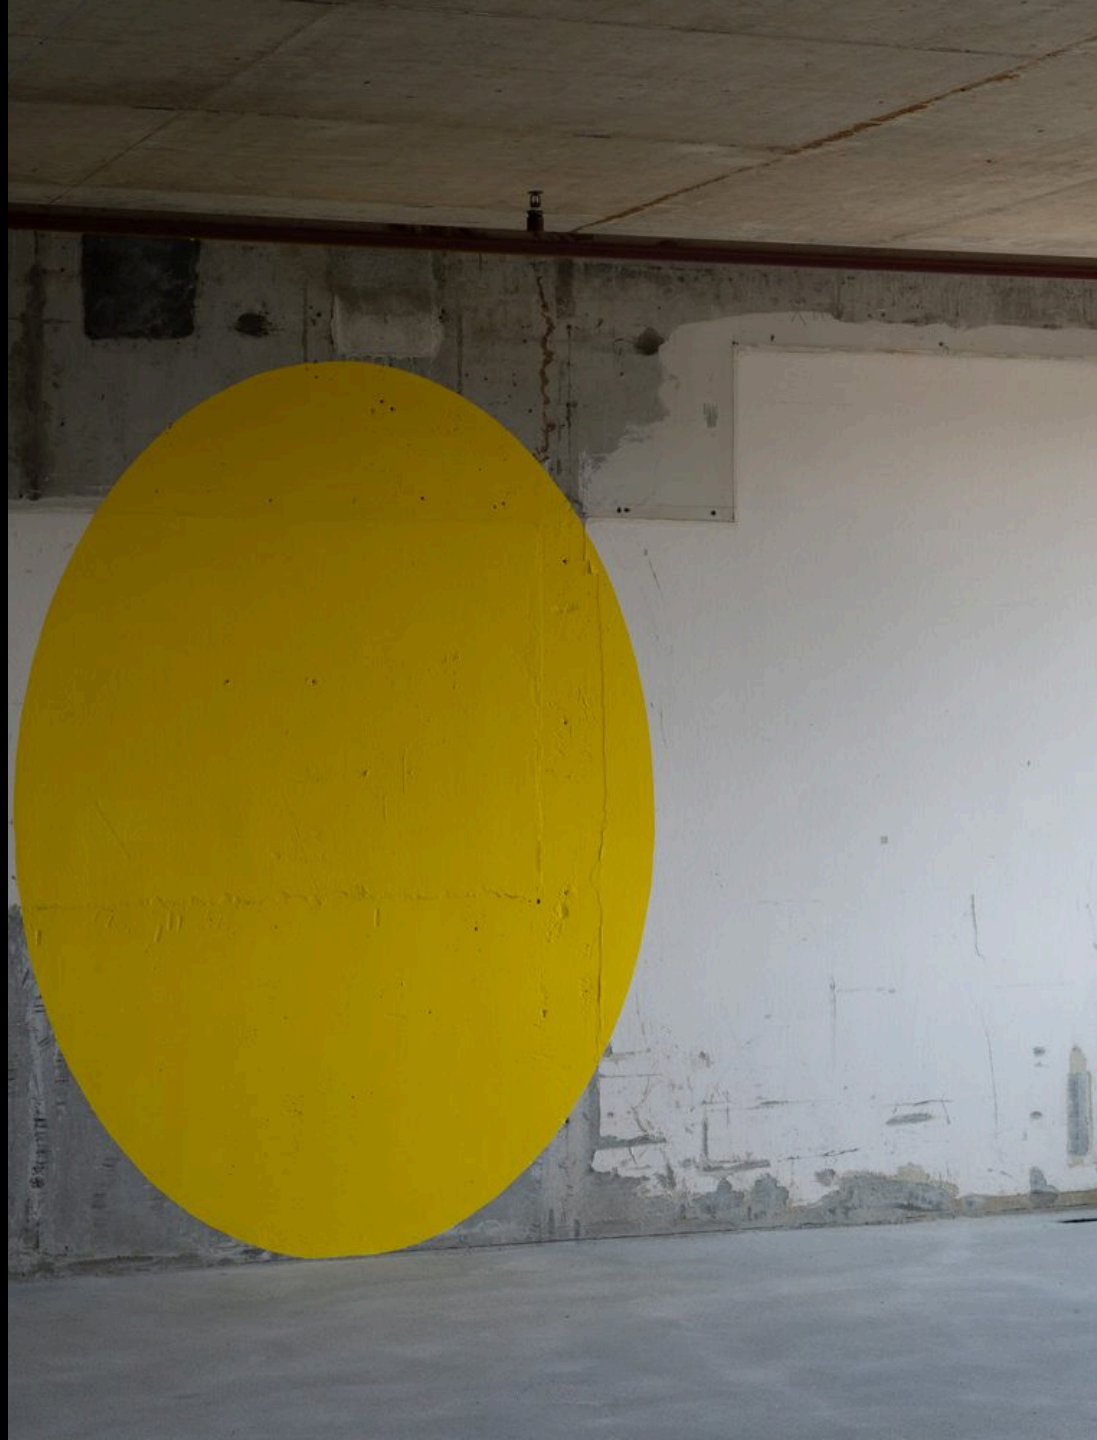

From 65 m²

Wings can be merged and configured to fit your concept.

(WHY HET SLOTERVAART)

A location with a story. Historical layers meet new creativity, and the industrial atmosphere sets an exhibition apart from anything else in Amsterdam.

Situated in Amsterdam-West, easily reached by public transport and by car.

There is room for custom production, branding and storytelling.

(WHO IT IS FOR)

Organisers who understand that a location is more than space: art fairs, innovation floors, food experiences, fashion and design exhibitions.

Het Slotervaart is also available for long-term rental by creative, cultural or business initiatives.

(WHAT WE OFFER)

Flexible rental periods, short and long term

Support with permits, technical needs and planning

Tailored collaboration, from intimate concepts to large-scale exhibitions

Rates below market prices, with room for custom solutions

Active involvement in aligning the space with your concept
